Welcome to the Long Beach Expo!

We are excited to have all of you here for our final Long Beach Expo of 2026, proudly presented by Stack's Bowers Galleries.

**LONG
BEACH
EXPO**
THE COLLECTIBLES SHOW

Over the last 62 years, the Long Beach Expo has become known as the oldest and largest numismatic show on the West Coast, and we are proud to continue this great legacy.

Thousands of collectors from around the world have taken part in this time-honored Southern California tradition engaging with hundreds of the nation's top dealers showcasing collectibles across every aspect of numismatics including U.S. Coins & Currency, World Coins & Paper Money, Ancients, Tokens, Medals, Bullion & Precious Metals, Exonumia and everything in between!

Stop by the United States Mint booth #440 to browse and purchase available products during this rare West Coast appearance of the Mint.

Professional Coin Grading Service, PCGS, is the official grading service of the Long Beach Expo and will be offering on-site authentication and grading services. All show services will be available for U.S. and World coins, along with on-site grading of banknotes for Express Service level submissions and above. Stop by booth 701 and speak with a PCGS representative for additional information.

Our Meet the Expert sessions are free in-person opportunities for you to sit down with some of the most well-known numismatic experts in the industry. On Thursday 9/10, from 12:00PM to 1:00PM, David Hall, PCGS Founder, will be offering verbal opinions of U.S. Coins at booth 103. Make sure to get in line early as space fills up quickly!

Stack's Bowers Galleries, the official metals trader of the Long Beach Expo, will be offering immediate payment for silver & gold throughout the Expo. Stop

by the golden eggs at the front of the Expo to receive an instant offer on your bullion. Consignments will be accepted for future auctions at booth 500 and Stack's Bowers Galleries auction lots will be available for lot viewing at booth 740 in the back of the convention hall.

Daily giveaways for public attendees will take place at 2:00PM each day of the Expo at Information Booth 105. Get your raffle ticket when picking up your Expo passes at the ticketing booth before you enter the Expo. You must be present to win, so make sure to stay for the whole day!

We're excited to welcome everyone back and we want you to have a wonderful time at the Long Beach Expo! We hope to get the chance to say hello to you on the show floor!

Our team of dedicated staff members will be available at the ticketing booth outside of the hall, at the information booth inside the hall, and walking the show floor in case you have questions or need assistance. We also value your feedback and hope that you will share your thoughts, suggestions, and feedback with us on what you've seen here at the Expo and what you hope to see at future Long Beach Expos. Stop by the Information Booth to share feedback with our team and help us continue to build the greatest coin show on the West Coast!

Sincerely,

David Talk

AN ADDED MARK OF DISTINCTION

Collectible Market Qualified

When PCGS founder **David Hall** and Stack's Bowers CEO **Greg Roberts** both recognize a coin's exceptional quality and eye appeal, it earns a tamper-resistant CMQ or CMQ-X hologram — a distinction beyond the grade the market seeks out.
